## SoCal Survival Swimming Policies / FAQs

**Tuition:** Tuition will need to be paid on the first day of class in full. If for some reason it has been worked out with Miss Jessica to make payments please let her know when you plan to make all necessary payments before the end of your first lesson.

**Payments:** All payments are to be made by either a check or using Venmo. You can look it up under the business name. If your payment is declined we will contact you. Tuition must be paid immediately or you will forfeit your space in the class.

**Dates Closed/ Weather Cancellations:** Memorial Day, full week of July 4th & Labor Day. Please contact us to discuss other religious holidays. We swim even if it's raining. We will cancel if there is thunder/lighting. I will ensure you are personally contacted if class is cancelled.

**Refunds / Make-ups:** We do not offer make-up lessons or give refunds. In the event you register your child and an emergency comes up you can switch your child's session (one-time change only) to another session. If your child is sick please let Miss Jessica know as soon as possible.

**Goggles:** Only if they always wear goggles and are very comfortable with them already. Otherwise, no goggles please.

**Can My Child Eat Before Class?:** No. Do not feed your child for 2 hours preceding their lessons. Water Only. 4 hours prior to lessons carbs only. Ex: waffle, plain pancake, quaker oatmeal (not organic)

Cheerios, toast. Also breast milk and rice milk is fine. Carbs Only, no fruit, meat or dairy. Undigested food in child's stomach will come up in the pool if your child burp's and we cannot have kiddos throwing up food in the pool. It also makes most children upset; they think they are sick. Once your child is swimming and has great breath control we can lighten up on the "Jail house" food rule.

**What If My Child Is Crying?:** Most children will cry. Children cry for different reasons. First, they are in a new environment with a new person. Second, they are learning a completely new skill. Once your child learns their new skill and gains confidence they will stop crying. We will all work together on getting past this phase and making your babies as happy as can be while getting safe in the water.

**What Does My Child Wear?:** All Children (6 months - 4 years old) are to purchase the brand of fecal proof Swim Pants by "Splash About" In the past I have sent parents to Walmart, Target and Buy Buy Baby but the cloth pants they sell aren't fecal proof and disposable swim diapers don't work either. Accidents in the pool can be dangerous and are very costly. To ensure the safety of your child, parents will be required to purchase protective swimwear before the first day of class. They must fit very snug around the waist and the legs. The new swimwear will not leave marks on your child. Made of soft neoprene material. They are Fecal Proof when worn properly. Prices from \$20-\$40.

**Driving Rules on Our Street:** Please keep in mind that lessons are in a residential area. To ensure the happiness of the neighborhood please remember the speed limit is 25 MPH!!!! We always want to be the best example to our neighbors and keep our children safe. If you do not obey the 25 mph speed limit and my neighbors and or parents bring it to my attention; I will not be able to continue to teach your child in my program.

Supervision: Parents / caregivers must remain at SoCal Survival Swim during their child's 10 - 25 minute class.

Pool Deck Access: For safety, only adults and children entering the water are allowed on the pool deck.

Bathroom: I am sorry I can not accommodate all children and families using my private restroom inside. Please do your best in making sure your little one has used the Restroom before arriving to class. If there is an absolute emergency please make Miss Jessica aware.
